AUGUST MEMBERSHIP MEETING MOVED TO TUESDAY, 31ST FOR HEITING SEMINAR

Please disregard your refer magnet date of the 24th for our membership meeting. It has been changed to the 31st to accommodate for the Steve Heiting seminar that will take place that night at the Legion.

We'll have a short meeting starting at 6:00 pm, followed by the Heiting seminar that'll take place at 7:00 pm.

Steve has spoken for us in the past at our Musky Madness

Expo, and gives a very informative presentation.

He is the managing editor of Musky Hunter Magazine, co-owns the U of Esox schools, and has put out many books, and musky fishing videos. He also has contributed articles to magazines such as Field and Stream, Outdoor Life, and Wisconsin Outdoor News.

Steve's topic for the seminar will be "Tactics for Tough

Times".

Informational posters are being distributed around town for this free seminar. Feel free to bring along anyone you think might enjoy it.

A very special "Thank You" goes out to the Skeeter Boat Center, who is helping co-sponsor the event.

So make plans to come on out and pick up a few fishing tips from one of the best!

MORE E MAIL ADDRESSES NEEDED

As we continue to bring new members into our chapter, it's important that if you have web access, that you send me your Email address.

We currently have about 80% of our

club receiving the newsletter via the net. I will continue to send hard-copy issues to those that don't, but it's a great money saver to keep these to a minimum.

Also, if you

know of people who might be interested in our club, feel free to tell them we can send them our newsletter too.

Thanks for your help on this communication issue!

CHAPTER NEWSBITS

Brad Foss updated the kiosk project. The DNR has a 75 foot setback ordinance off the shoreline. This might mean we'll have to put it at the top of the landing. We still are making a request to allow it to be built. We'll have to wait and see what the County decides.

Good Luck to our 6 fishermen that'll represent us at the Gil Hamm International Chapter challenge this year. The tourney is up on Vermillion over the week of August 25th.

The chapter will be splitting a \$300 donation to Paula's Purse and Bena's Pets again at this year's Francis Green Memorial charity open.

Gander Mountain is currently without a store Manager. Paul Pierre has accepted a job at the Rochester store. Because of this, we need to wait to request continuance of the ongoing 10% off coupon program. Please be patient, and the info will get to you as soon as it comes in. Thanks.

We're still waiting on a reply from the corporate people at Gander Mountain to see if they'll let us continue our discount program.

Congrats to Clint Gilman, the recipient of this years scholarship grant. He'll be attending UW-Madison and pursue a career in conservation.

LAKE WINTER OUTING RESULTS

We had roughly 25 members attend our Lake Winter outing held over the weekend of July 24th.

Bob Nontelle, and Scott Cornish, chaired the event and did a great job.

The tournament was open to all lakes as long as the participants came in for the mandatory lunch on Saturday afternoon.

There also was a Northern contest with the most length winning the pot of cash from those that got in.

Top prize, a \$50 Gander Mountain gift card, went to Leif Tolokken who boated a 42" and 32". Jim Oldenburg boated 2 also, a 37" and 36". Bill Kelemen also boated a 36". My apologies if I missed anyone.

The Northern cash pot went to Corey Pettis who boated enough snakes to take home \$85.

Make plan to attend our final outing of the year, the Wiltinger Memorial, over the weekend of Sept. 18th.

PICNIC RECAP

Although it was a steamy night, we had a great turnout for our annual picnic and July membership meeting.

A huge "Thank You" goes out to Dean Hart and his family, and all that helped him put out an awesome dinner for us.

After a short meeting, we gave out some door prizes, had dinner and played our usual games.

This year the kids got an opportunity to draw a musky on the pavement with chalk. There were some nice pictures and all that participated got a small

prize.

Casting contest winners this year were; Tim Wells for the men, and the ladies winner was Kathy Kelemen proving miracles do exist :).

The egg toss went to the Hart boys, Hunter and Dustin, each winning a \$25 gift Certificate.

Special recognition also goes to Dean again for donating blocks of cheese as prizes, and to Jim Wiltinger for giving all in attendance a Gander Mountain \$10 off a \$50 purchase discount card.
